 - This is a more detailed explanation of what is required in order to complete each quest

How To Start

1. Type 'cd ' and the root directory of 'LeroysQuest' in the Command Prompt. This will direct the Command Prompt into the game's folder.

Example:

```
C:\Users\lucyo\PycharmProjects\TextAdventure>cd C:\Users\lucyo\Downloads\LeroysQuest
```

2. Type 'LeroysQuest.py' in the Command Prompt. This will start the game.

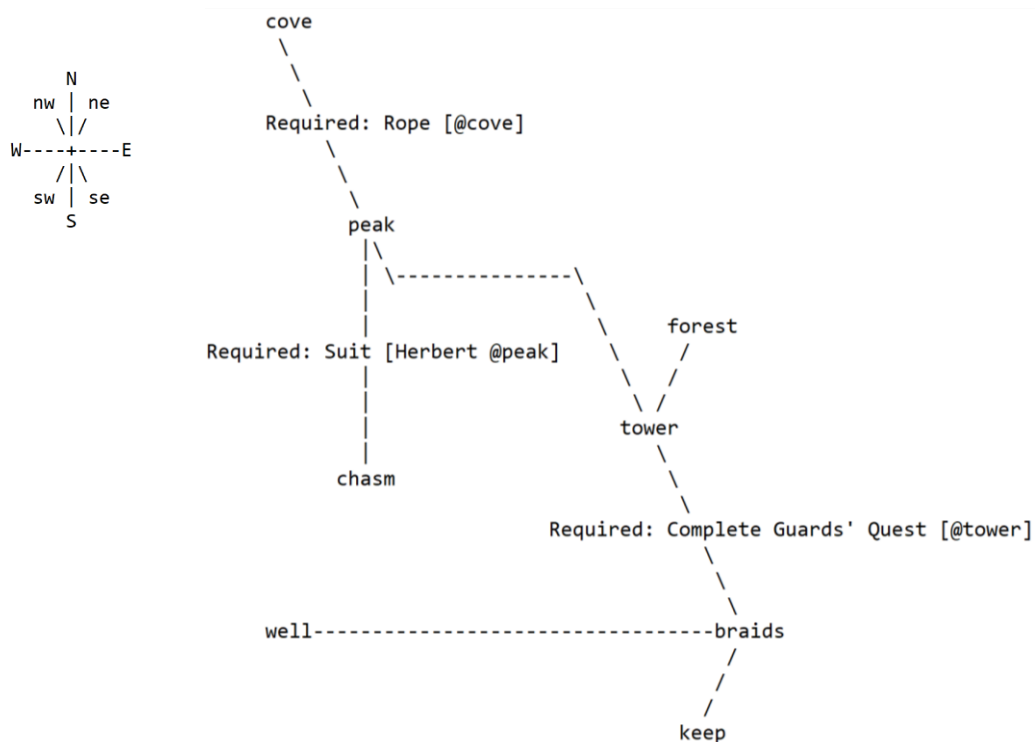

Example:

```
C:\Users\lucyo\Downloads\LeroysQuest>LeroysQuest.py
```

OR

Apparently, you can just click on the .py file and it'll run...

Quest Diagram

Key:

- Arrowed Lines – Arrows point to the quest you can complete after the quest at the tail has been completed.
- Side Lines – You need to complete the other quest in order to complete the intersected quest
 - Example: you need to complete 'Herbert's Quest' in order to complete 'Zoey's Quest'. However, both can be started simultaneously
- Dotted lines ('.' or ':') – These are not NPC quests. However, they are important steps to progress the game.

Note: All locations are referred to by their nickname.
